Mr. George Bush, Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Bush:

The International Affairs Organization is a campus-wide service organization whose primary purpose is bringing programs of significance in the area of international affairs to the University of Northern Iowa Campus. Each year we attempt to invite someone from the intelligence community. Previous speakers have included such people as Ray Cline and William Parmenter.

Our students and faculty were highly impressed with Mr. Parmenter's discussions of the problems facing the intelligence community as it enters the mid-70's and would be grateful for an opportunity to continue the dialogue with a representative of the CIA during the coming academic year. We think he would find the students at UNI (enrollment 10,000) an interested and sympathetic audience.

With your approval, of course, we would hope such a visit might include a talk to a university audience in the morning and an informal colloquium with political science graduate students and faculty in the afternoon. We would be delighted to welcome a representative of the CIA to our campus again, and hope such a visit proves possible. If I can give any further information I can usually be reached at (319) 266-8218.

Sincerely,

A handwritten signature in dark ink, appearing to read "Francis Winter". The signature is stylized and somewhat cursive.
